

## COMMUNITY AND EDUCATIONAL ORGANIZATIONS INFORMATION

We love this little river town, and know you do to! We would love to highlight all the great work you all do in this community, and want you to show and not tell. Bring your organization to the Rivertown Revival on July 21, 2012 for the expected 10,000 attendees.

### **Community, Non-Profits, and Educational Organizations:**

We encourage you to bring your mission to our party. We want you to create an activity for the public that demonstrates your mission. We are especially interested in how you help the community and make the world a better place.

### **Nitty-Gritty:**

A Standard Booth is \$150 and includes:

- A 10x10 space
- A pop-up tent that will be setup by our team with appropriate weights (it's windy out here)

You're responsible for:

- Bringing your own tables, chairs and decoration
- Making your booth look fantastic; it should match the look of The Rivertown Revival. Visit [www.rivertownrevival.com](http://www.rivertownrevival.com) for decoration ideas
- Following all load-in and tear-down requirements that will be available in the upcoming months
- Publicizing event. Posters will be available for hanging in place of business
- Keeping your area waste free by following our Green principles
- Providing a certificate of liability insurance of a minimum of \$1,000,000 and name Friends of the River and Clementine Eco Event Planning, LLC as additional insured
